

# AN ENERGETIC APPROACH TO CANCER TREATMENT

BY PROF. JERRY ALAN JOHNSON, PH.D., D.T.C.M (CHINA)

**WEDNESDAY, FEB. 22ND, 2023**

**8:00 a.m. Cancer Treatment in Ancient China**

- **Introduction and ancient Oncology in China.**  
Reading Assignment: V5, Ch. 61 (p. 3-10).
- **Cyst, Tumor & Cancer Formation.**  
Reading Assignment: V5, Ch. 61 (p. 11-23).
- **Understanding Cancer Terminology.**  
Reading Assignment: V5, Ch. 61 (p. 24-27).
- **Cancer Transformation Stages.**  
Reading Assignment: V5, Ch. 61 (p. 28-34).
- **Tumor and Cancer Etiology and Pathology according to Traditional Chinese Medicine.**  
Reading Assignment: V5, Ch. 61 (p. 35-48).

**12:00 (NOON) - BREAK FOR LUNCH**

**2:00 p.m. Class Review**

- Exam #1: Explain the ancient Chinese understanding of cyst formation
- Exam #2: Explain Yin & Yang cyst categorization
- Exam #3: Explain the 8 types of cyst formation
- Exam #4: Explain the 7 types of tumor formation
- Exam #5: Explain the five modern classifications of tumors
- Exam #6: Explain the difference between benign and malignant tumor formation
- Exam #7: Explain the 6 cancer categorizations
- Exam #8: Explain the 3 types of cancer growth
- Exam #9: Explain the four stages of cancer cell transformation
- Exam #10: Explain the four stages of cancer metastasis
- Exam #11: Explain the T.C.M. perspective on tumor and cancer formation; and describe both internal and external contributing factors

A clinical oncologist specializes in the treatment of various cancer conditions.

**4:00 p.m. Understanding Cancer Treatment**

- **An Energetic Approach to Treating Tumors.**  
Reading Assignment: V5, Ch. 62 (p. 49-53).
- **Cancer Treatment Applications & Methods.**  
Reading Assignment: V5, Ch. 62 (p. 54-57).

**THURSDAY, FEB. 23RD, 2023**

**8:00 a.m. Review and Examination.**

- Exam #12: Explain and demonstrate the purgation - tonification - and regulation applications used in cancer treatment, and their specific clinical functions.
- Exam #13: Explain Doctor Lu's five important steps used in cancer diagnosis and treatment; and their specific clinical functions.
- Exam #14: Explain and demonstrate the four military tactics of Siege Warfare, and how they are used in the Medical Qigong clinic when treating tumor formations.

In the 1990's, several of the cancer clubs would meet in the Temple of Heaven Park in Beijing, China.

Exam #15: Explain the clinical protocol used during Early Stage Cancer.

Exam #16: Explain the clinical protocol used during Intermediate Stage Cancer.

Exam #17: Demonstrate the six main clinical protocols used during Advance Stage Cancer Treatment.

**10:00 a.m. Cancer Prescription Exercises**

- **Different Cancer Prescription Exercises.**  
Reading Assignment: V5, Ch. 62 (p. 58-61).

- **Internal Organ Cancer Prescriptions (A).**  
Reading Assignment: V4, Ch. 45 (p. 95-116).

**12:00 (NOON) - BREAK FOR LUNCH**

**2:00 p.m. Cancer Prescription Exercises (B).**  
Reading Assignment: V4, Ch. 45 (p. 95-116).

**FRIDAY, FEB. 24TH, 2023**

**8:00 a.m. Review and Examination**

Exam #18: Explain and demonstrate the 4 main prescription methods used during cancer treatment.

Exam #19: Explain and demonstrate the 3 methods of cancer walking therapy.

Exam #20: Explain the 3 primary factors used for choosing proper cancer prescription exercises

Exam #21: Explain the reasons why a tumor may suddenly stop shrinking

Exam #22: Explain and demonstrate the healing sound method used for treating brain tumors.

Exam #23: Explain the healing sound method for treating nasopharyngeal tumors.

Exam #24: Explain and demonstrate the healing sound method for treating esophageal cancer.

Exam #25: Explain and demonstrate the healing sound method for treating breast tumors.

Figure 1.3. A Cancer Support Group is essential for the patient's physical, emotional, and spiritual healing.

Guo Lin's Cancer Recovery Qigong Walking Therapy was performed every day in Temple of Heaven Park.

Exam #26: Explain and demonstrate the healing sound method for treating lung cancer.

Exam #27: Explain and demonstrate the healing sound method for treating stomach cancer.

Exam #28: Explain and demonstrate the healing sound method for treating spleen/pancreatic cancer.

Exam #29: Explain and demonstrate the healing sound method for treating liver/gall bladder cancer.

Exam #30: Explain and demonstrate the healing sound method for treating small intestine cancer.

Exam #31: Demonstrate the healing sound method for treating large intestine or colorectal cancer.

Exam #32: Explain and demonstrate the healing sound method for treating urinary bladder cancer.

Exam #33: Explain and demonstrate the healing sound method for treating prostate/testicular cancer.

Exam #34: Explain and demonstrate the healing sound method for treating ovarian, uterine, and cervical cancer.

Exam #35: Explain and demonstrate the healing sound method for treating skin cancer.

**12:00 (NOON) - BREAK FOR LUNCH**

**2:00 p.m. The Value of Cancer Support Groups**

Reading Assignment: V5, Ch. 62 (p. 61-64).

• **Social Oncology For Cancer Treatment.**

Reading Assignment: V5, Ch. 63 (p. 65-78).

**SATURDAY, FEB. 25TH, 2023**

**8:00 a.m. Review and Examination.**

Exam #36: Explain the advantage of working with other medical professionals and clinical oncologists

Exam #37: Explain the advantage of having a cancer support group.

Exam #38: Demonstrate variations of Guo Lin Cancer Recovery Qigong Walking Therapy

Exam #39: Explain the three advantages of Social Oncology

Exam #40: Explain the Six Week Evaluation

Exam #41: Explain the emotional components of tumor formation

**10:00 a.m. Treating Chemotherapy Patients**

Reading Assignment: V5, Ch. 64 (p. 91-108).

• **Applications For Removing Noxious Heat.**

**12:00 (NOON) - BREAK FOR LUNCH**

**2:00 p.m. Treating Bone and Blood Cancers**

Reading Assignment: V5, Ch. 64 (p. 137-149).

• **Different Treatment Applications.**

• **Healing Sound Exercises**

Reading Assignment: V5, Ch. 66 (p. 153).

• **River of Divine Light Meditation**

Reading Assignment: V5, Ch. 66 (p. 154).

• **Dispelling the Filth Meditation**

Reading Assignment: V5, Ch. 66 (p. 154).

• **Slow Walking Exercise**

Reading Assignment: V5, Ch. 66 (p. 167).

**SUNDAY, FEB. 26TH, 2023**

**8:00 a.m. Review and Examination**

Exam #42: Explain and demonstrate the healing sound method used for treating blood and bone cancers

Exam #43: Explain and demonstrate the different purging methods used for treating blood and bone cancers

Exam #44: Explain and demonstrate the value of the slow walking therapy used for treating blood and bone cancers

**10:00 a.m. Treating Breast Diseases**

Reading Assignment: V5, Ch. 68 (p. 241-245).

**11:00 a.m. Breast Cyst & Tumor Treatments (A)**

Reading Assignment: V5, Ch. 68 (p. 246-254; and 260-261).

**12:00 (NOON) - BREAK FOR LUNCH**

**2:00 p.m. Treating Breast Cysts & Tumors (B)**

Reading Assignment: V5, Ch. 68 (p. 246-254).

**4:00 a.m. Review and Examination**

Exam #45: Explain and demonstrate the treatment protocols used for treating breast cysts and benign tumors.

**JIANG RONG QIAO'S (4TH GUA)**

1. Wild Goose Leaves the Flock (L)
2. Purple Swallow Fanning Tail
3. Close the Door to Push Out The Moon
4. Pheasant Throwing Wings
5. Transplanting Flower to Tree
6. Removing Helmet From Behind Head
7. Clouds Crossing Szechuan Road
8. Pheasant Throwing Wings
9. Transplanting Flower to Tree
10. Black Dragon Wrapping Waist
11. Reign in the Running Horse
12. Open Rob to Walk
13. Push the Mountain into the Sea
14. Two Bats Fly Low to the Ground
15. Swallow Skimming Water
16. Embracing Moon at the Chest.
17. Hiding Flower Under Leaf.
18. Wild Goose Leaves the Flock.

- Walk the Circle -

**5:30 p.m. Graduation & Certification**
